VERBAND MARE SHOW 2022

This how to qualify for the 3-year-old Verband mare show:

1. Mare inspection and registration sites in the breeding districts are scheduled from 16 May -24 May 2022
2. To qualify for the Verband mare show, a 3-year-old mare must fulfil the pedigree requirements on a stallion dam receive at least 52 points at inspection. The final score will be determined at Elmshorn.
3. Verband premium mares will receive the title State Premium mare upon a minimum passing score of 7.0 overall in the mare performance test.
4. **The Verband mare show is held on Sunday, 12 June 2022, at the Elmshorn facility.**

QUALIFIER FOR MEMBERS OUTSIDE SCHLESWIG-HOLSTEIN

3-year-old mares aiming to qualify for the Verband mare show and State premium awards held on 12 June 2022 at Elmshorn must be presented at the qualifying outside members inspection site on 16 May 2022 at Elmshorn. This should be stated on the application form as well (see above)!

The mares are presented for registration according to the order in the catalog or in some breeding districts according to the declaration of readiness to start. The order within the breeding districts is based on the first letter of the mare's sire. The 4-year-old and older mares are entered after the measuring in the hall and are then released.

In all breeding districts a commission will register the mares. After the measuring, the 3-year-old mares will be presented in hand and free in the hall. After about 10 mares, these will form a ring where the district premium mares will be awarded and the association premium mares will be selected. After that, the next mares are presented in the hall and the process is repeated until all mares are entered.

Only the mares selected for the final ring must still remain at the entry site, all other mares are dismissed after their entry. After registration, all selected mares competing

for participation in the Verband mare show in Elmshorn (June 12, 2022) are presented again in the final ring. This is where the final selection will take place. For the overall timing, it is assumed that 10 mares will come to the presentation within 1 hour.

Please note: In all Breeding districts, judging of 4-year-old and older mares will take place prior to entry of 3-year-old mares.

Unregistered mares and mares from other breeding districts will be presented at the end of their age group.

The mare's horse passport must be handed in at the show!

MARE REGISTRATION FOR FOREIGN MEMBERS (BREEDING DISTRICTS EUROPE AND NORTH AMERICA) IN ELMSHORN

On Monday, 16.05.2022 the registration of the mares for members of the breeding districts Europe and North America will take place in Elmshorn. We kindly ask all breeders to register their mares by telephone in advance to ensure a smooth running of the event by a fixed order.

Please notify the readiness of your mare to start on Thursday, 12.05.2022 between 10 and 12 am by telephone at the Kiel office (Dr. Stefanie Bergmann, +49 431-30599651) or by fax (+49 431-336142).

Timing:

2.00 pm: 4-year-old and older mares

2.30 pm: 3-year-old mares, followed immediately by the final ring.

Mares not registered in advance will start after their age group.
