The stud fee for this stallions will not be credited if the mare is not pregnant!

For your information: a € 100,00 fee will be charged when registering foals by stallions no longer alive.

Some stallions are charged per insemination. Please look at the respective stallions page for further information.

Not all of these stallions have a verified WFFS status yet. Please feel free to contact the Holsteiner Verband stallion stable team for more information.
